

Claims

17. (Newly Amended) A fire extinguishing apparatus comprising a cylindrical body for storing fire-extinguishing material, a handle and a pin, the cylindrical body having a plurality of LEDs located and extending in a line around the base thereof to provide a constant indication, for a pre-determined period of time, as to the location of the apparatus.

~~Apparatus for retaining a fire extinguisher the apparatus having a surface not obstructed by the fire extinguisher located on the apparatus in use, the surface having at least one indicating device mounted thereon to provide a clear indication as to the location of the apparatus.~~

18. (Cancelled)

19. (Cancelled)

20. (Cancelled)

21. (Newly Amended) The fire extinguishing apparatus according to claim 17 20, wherein the or each LED provides a color colour that is indicative of corresponds with a representative color colour of the material contained within the fire extinguisher.

22. (Cancelled)

23. (Newly Amended) The apparatus according to claim 17 20, wherein the or at least one LED LEDs are mounted on a strip.

24. (Newly Amended) The apparatus according to claim 17 23, wherein the LEDs are powered by a battery which is synchronized to the service period of the apparatus such that a powerless LED indicates that the fire extinguishing apparatus is due for a service
~~the strip includes means to power the or each LED.~~
25. (Cancelled)
26. (Cancelled)
27. (Cancelled)
28. (Cancelled)
29. (Cancelled)
30. (Cancelled)
31. (Cancelled)
32. (Cancelled)
33. (Cancelled)
34. (Cancelled)
35. (Newly Amended) The apparatus according to claim 17, wherein a further LED is mounted on either side of the pin ~~the or one indicating device is mounted on, or in the immediate vicinity of, the pin.~~

36. (Cancelled)

37. (Cancelled)

38. (New) A base mount for a fire extinguishing apparatus, the mount having a plurality of LEDs located and extending in a line around the base to provide a constant indication as to the location of the fire extinguishing apparatus when mounted on the base.
